Part I

Description: The 2000 Application Guidelines for Learn and Serve America Higher Education provide the background, requirements and instructions that potential applicants need to apply to the Corporation for grants to operate Learn and Serve America service-learning programs for college-age youth. The Corporation seeks public comment on the forms, the instructions for the forms, and the instructions for the narrative portion of these application guidelines. The application forms and instructions are being revised to reflect the evaluation criteria approved by the Corporation board last year. In some instances this means that questions appear under different categories than previously. In an effort to streamline and consolidate this application package, there is one title page and one budget form that all Higher Education applicants can use. Form instructions are clearer and are written in plain language. Questions that need response in the narrative section of the application are streamlined.
